## Don Bosco Solidarity COVID-19 Relief in India

The Don Bosco Network created the Don Bosco Solidarity COVID-19 Relief campaign to streamline resource mobilisation and action towards COVID-19 relief in India. The Don Bosco network has been in action since the imposing of the first national lockdown in March 2020—mobilising resources, procuring essential supplies such as food and sanitary items, producing masks, packing and distributing aid packages to the vulnerable and marginalised people across India. This has been through the concerted efforts of the 11 Don Bosco Planning and Development Organisations (PDOs) and their constituent local partners. This brief interim report lays out Don Bosco Network's interventions and outreach for COVID-19 relief as of July 2020.

6. Distribution of masks
